Required supporting documents

Provide the signed move-in inspection report and the City of Eugene Tenant Education Information flyer. Attach any legally required lead-based paint, floodplain, or other property disclosures when applicable. These documents must reflect the actual property facts; this Lease does not certify an inspection or hazard determination.

Renter's liability insurance - exceptions and conditions

The requirement in clause 27 does not apply to a household with income at or below 50% of area median income, adjusted for family size, or to a dwelling subsidized with qualifying public funds under ORS 90.222(9). Tenant-based housing vouchers alone do not create that subsidy exemption.

The Landlord must maintain comparable liability insurance and provide proof on request. The Tenant may choose the insurer. The Landlord may be named only as an interested party for policy notifications, not as an additional insured, and may not require a waiver of subrogation rights. Claims against the policy are limited by ORS 90.222(7).

Complete the coverage amount in clause 27 before signing. It may not exceed $100,000 per occurrence or the customary amount for similar properties with similar rents in the same rental market, whichever is greater. Existing tenancies require the notice and procedures in ORS 90.222. Personal belongings coverage is recommended, not required.
