Rent owed before this payment ($)

Rent portion received ($)

Remaining rent balance ($)

Existing late fee balance ($)

Late fee portion received ($)

Other payment portion ($)

Total payment received ($)

Other payment purpose

Payment received by / authorized representative

Signature / acknowledgment

This receipt records payment actually received. It does not itself post a payment, impose a late fee, change a lease deadline or waive a balance. Record the payment in the site ledger separately. Any late fee must follow the applicable written lease and approved arrangement and remains separate from rent. Keep a copy in the resident file and inbox.
